

Customer Pledge

Due to the COVID-19 pandemic, I pledge to only patronize businesses who transparently make the safety of their employees and customers paramount by using the following six practices:

1. All employees and customers will wear a mask. Notices of this practice will be posted at all entrances and strictly enforced.
2. Safe physical distancing measures will be enforced at all times.
3. The best principles of public health science shall inform all transactions from supplier to distribution and delivery.

4. Employees will be provided with the appropriate PPE and safe work conditions.
5. All cases of known COVID-19 infection and exposure of staff must be immediately posted at all customer entrances and publicly reported to County Health Dept.
6. Sick leave, health insurance and childcare policies will be fair and publicly posted at all customer entrances
